| MOTION FOR DISMISSAL | |

I, _____ (Plaintiff and/or Defendant), request that the Court dismiss this Small Claims action as follows:

- ☐ Dismiss the case WITH PREJUDICE. Everything that needs to be done to settle the case has been completed. I understand that this case can NEVER be filed again.
- ☐ Dismiss the case WITHOUT PREJUDICE. The Defendant and I have agreed to settle the case, but there are still things remaining to be done to complete the settlement (such as completion of repairs, payment of money, etc.). If the settlement is not completed in accordance with my agreement with the Defendant, I CAN file this case again.
- ☐ Dismiss the case WITHOUT PREJUDICE. I have been unable to get the Notice, Claim, and Summons to Appear for Trial served upon the Defendant, but I may want to file this case again if I can serve the Notice, Claim, and Summons to Appear for Trial at a later date.
