\*Per Section 13-1-305 (3)&(4), C.R.S.:

Criteria – One priority point per criteria met by county. Counties that meet at least two of the four criteria below qualify for need-based Underfunded Courthouse Facilities grants. Counties that meet all four criteria are given the highest priority for these grants:

- (a) Counties in which the total population is below the state median
- (b) Counties in which the per capita income is below the state median
- (c) Counties in which the property tax revenues are below the state median
- (d) Counties in which the county population below the federal poverty line is above the state median
