

Chief Judge Directive 17-06

Elimination of Outdated or Obsolete Chief Judge Directives:

After review, it appears that in over 35 years, the Chief Judge Directive Library has never been culled and that many Chief Judge Directives are out of date, have been replaced, are obsolete or have been superseded by statute or rule.

It is the intent to place all Chief Judge Directives on the 11th Judicial District's website for the public to view. The current Chief Judge Directive Library is bulky, confusing and not user friendly. For these reasons, the following Chief Judge Directives are declared void and will be removed from the Chief Judge Directive Library:

80-1, 2-2-81, 5-5-81, 81-01, 9-30-81, 2/10/87, 3/31/88, 7/31/89, 92-01, 93-01, 94-01, 97-01, 97-03, "Assignments to Magistrate" (found directly after 98-02 but not given a CJD number), 00-01, 00-03, 01-01, 02-02A, 02-03, 02-04, 02-04A, 03-02, 03-03, 03-05, 03-06, 3-06A, 03-07, 03-07A, 04-02, 04-03, 05-01, 05-01A, 05-03, 05-04, 06-01, 06-03, 06-04, 07-02, 09-01, 09-02, 10-01, 16-01.

Done in Salida, Colorado, this 30th day of March 2017.

/s/ Patrick W. Murphy, Chief Judge, 11th Judicial District
