

HOW TO CHANGE YOUR DEFAULT BROWSER

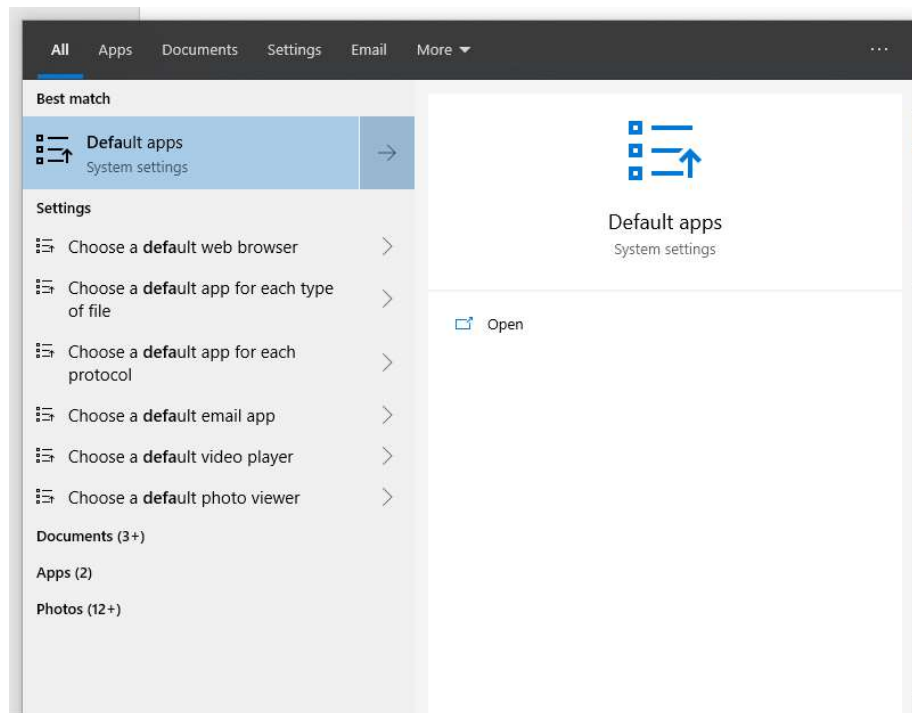

Forum should be used in Google Chrome. Before setting your default browser, make sure Chrome is installed on your computer.

SETTING YOUR DEFAULT BROWSER

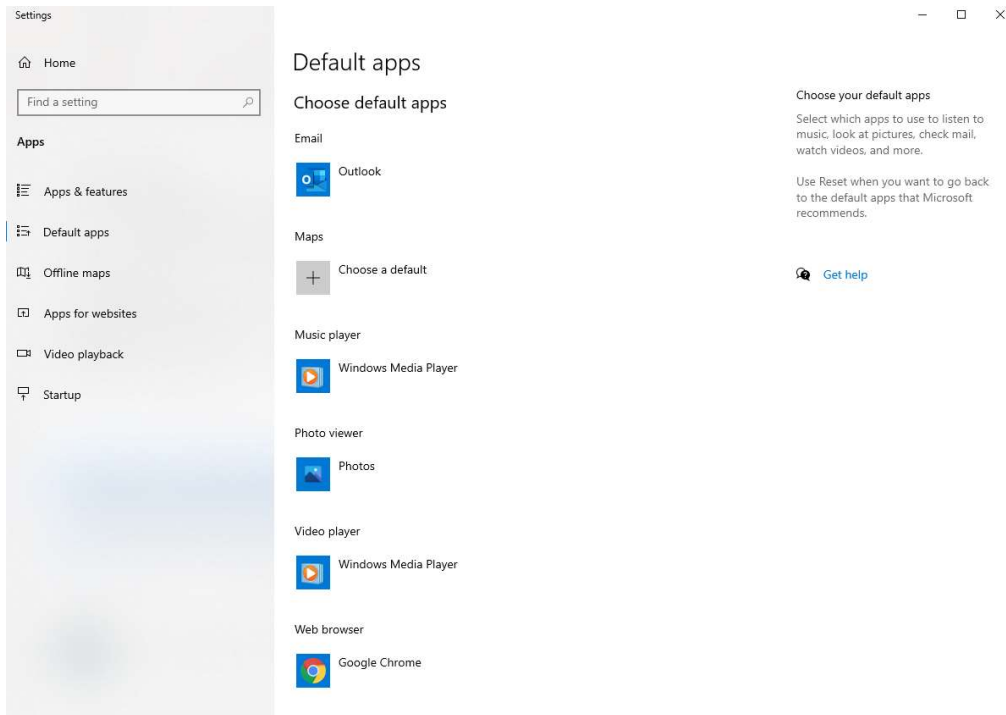

To set your default browser to Chrome in Windows type default into your search bar on the bottom left of your screen

As you type, the search results will appear.

Select Default apps. The Default apps screen will appear.

Click the icon for your default web browser. A selection screen will appear that will allow you to select Chrome.

Default apps

Choose default apps

Email

Outlook

Maps

Choose a default

Music player

Choose an app

Photo

Internet Explorer

Video

Microsoft Edge

Web browser

Google Chrome

Choose your default apps

Select which apps to use to listen to music, look at pictures, check mail, watch videos, and more.

Use Reset when you want to go back to the default apps that Microsoft recommends.

[Get help](#)

Exit the Default apps screen.
