<b>MOTION TO CONTINUE PRELIMINARY HEARING (D-012)</b>	

Mohamed Soliman through counsel, requests this Court to continue his preliminary hearing and, as grounds, states as follows:

1. On June 5<sup>th</sup>, 2025 Mr. Soliman was charged with 118 criminal counts including multiple counts of Attempted First Degree Murder (F2). A preliminary hearing is scheduled for July, 15, 2025 at 1:30 pm.
2. On or about Wednesday, June 25, 2025, one of the alleged victims passed way. As a result, the District Attorney filed an additional sixty-six counts, and amended the counts related to the deceased victim, including amending counts four and five to charge Murder in the First Degree (F1).
3. Originally, counsel was prepared to proceed with a preliminary hearing on July 15<sup>th</sup>, 2025. However, based on some significant collateral implications that cannot be addressed in advance of July 15, counsel is requesting a continuance of the preliminary hearing and request for a proof evident presumption great at the end of October.
4. Counsel is not aware of an autopsy report being produced yet. Additionally, there will be significant medical records that need to be provided and reviewed in advance of such hearing.
5. Mr. Soliman requests that his preliminary hearing be set sometime at the end of October.
6. Co-counsel communicated with the Government regarding this motion and they object this request.

Wherefore, Mr. Soliman requests that this court vacate his currently scheduled preliminary hearing and continue her hearing until the end of October, 2025.

Respectfully Submitted,

MEGAN A. RING
