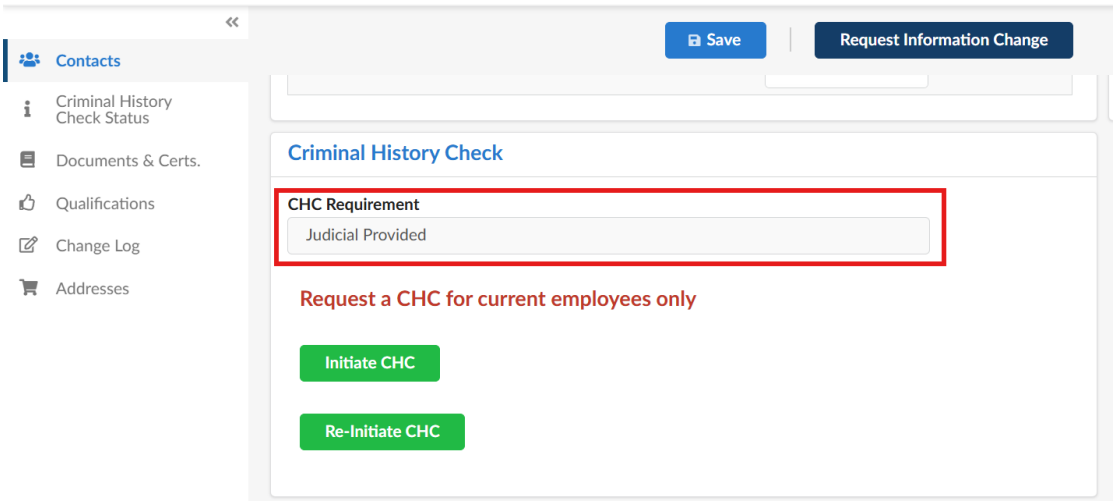
CHC (CRIMINAL HISTORY CHECK) REQUIREMENTS

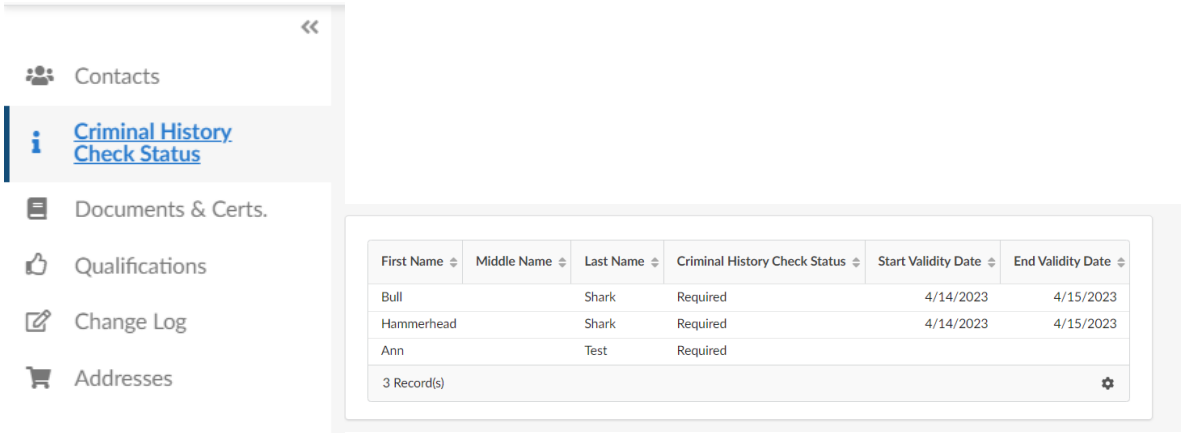
Criminal History Checks (CHC) may be performed and managed by Judicial, by the vendor, or not required at all. How Criminal History Checks are managed and performed is determined by Colorado Judicial.

CHC Requirement	**Process**
Judicial Provided	Judicial determines how CHC are performed
Vendor Provided	The vendor determines how CHC are performed
N/A	No Criminal History Check is required

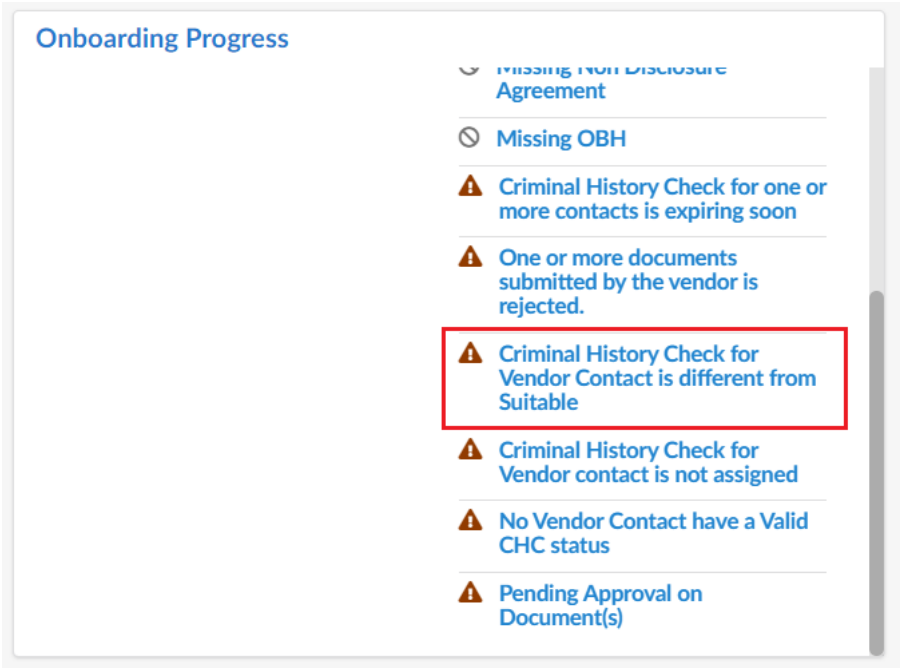
To view your CHC requirement click on the Contacts link in the left-side menu and look in the Criminal History Check section.



To view the CHC status for your users, from the left-side menu, click the **Criminal History Check Status** link.



When one or more person's CHC is not in Suitable or Suitable (upon appeal) status, the following warning will appear on the Home Page



Work may not commence on many Judicial contracts until all required background checks are complete. The status for background checks are shown below:

CHC Status	CHC Status definitions
Required	The default status of CHC for everyone. Link to CHC will be sent via email from no-reply-colorado@ivalua.com.
Pending	The individual's authorization form has been received and the CHC is in progress.
Suitable	The individual may access information and perform services for Colorado Judicial.
Not Suitable	Not suitable finding.
Expired	CHC validity has expired. CHC are generally valid for two years.
N/A	Not Applicable status to be determined by Judicial based on contract terms.

NOTE: You must have at least one eligible staff member with a "Suitable" CHC status before your services or goods can be purchased by Colorado Judicial.

CHC REQUIREMENT: JUDICIAL PROVIDED

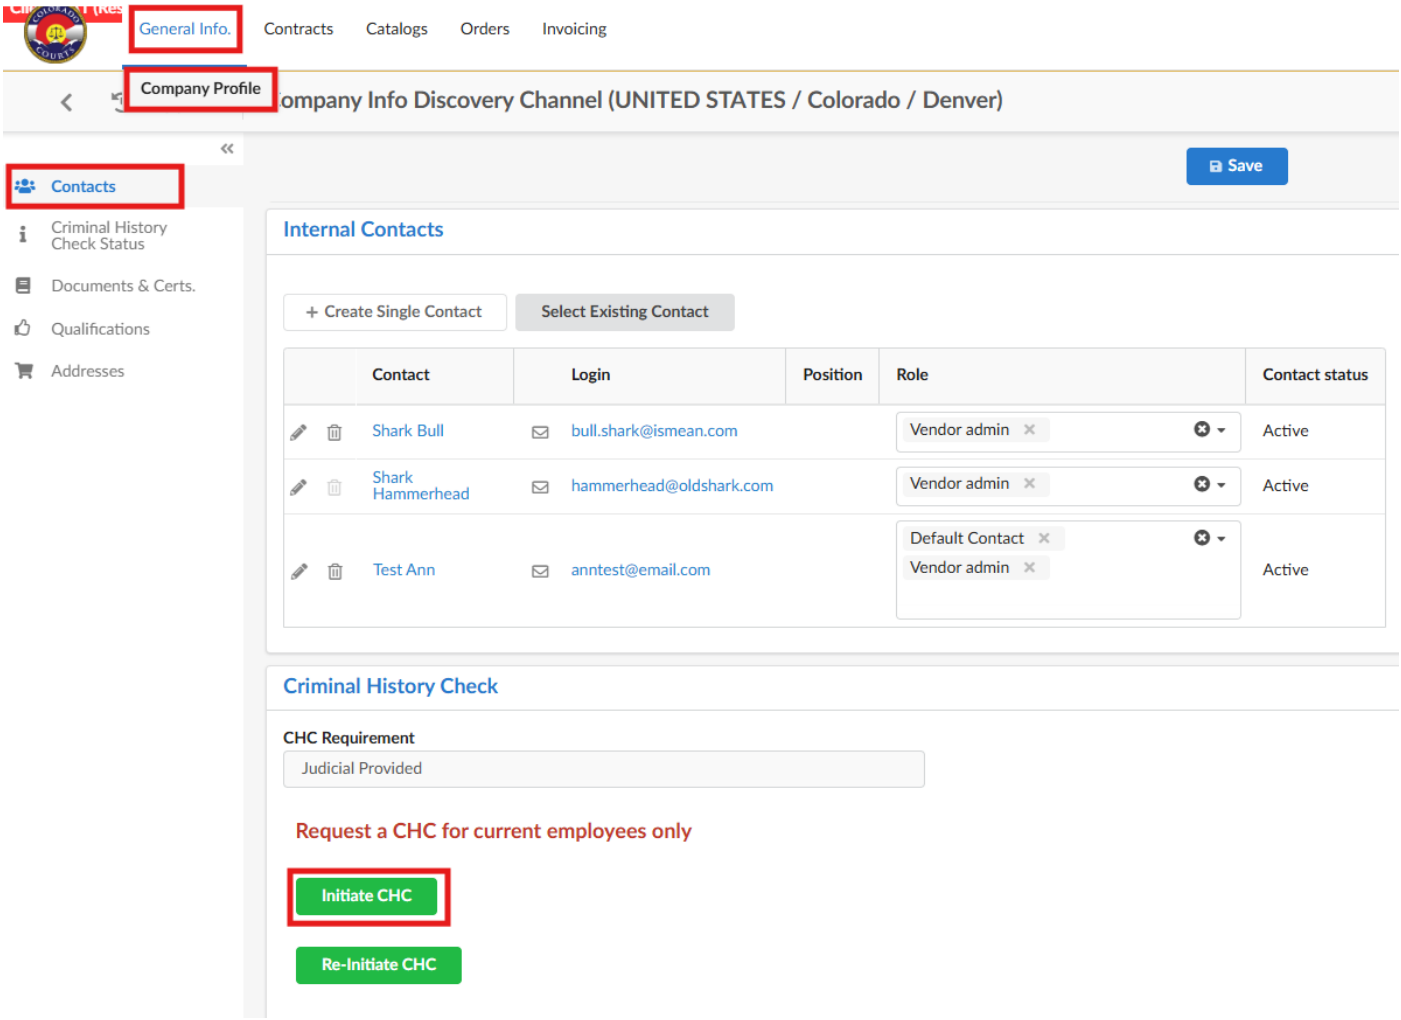
When the CHC Requirement is set to Judicial Provided you will be responsible for initiating the CHC process and Colorado Judicial will perform the CHC as the authorization forms are received. You can view the status and validity date of your staff's CHC as they are completed.

Vendors will not receive copies of the background check form from Judicial. Instead, an email will be sent directly to your employee. The employee will follow a link and can submit the information and authorization to perform a criminal history check.

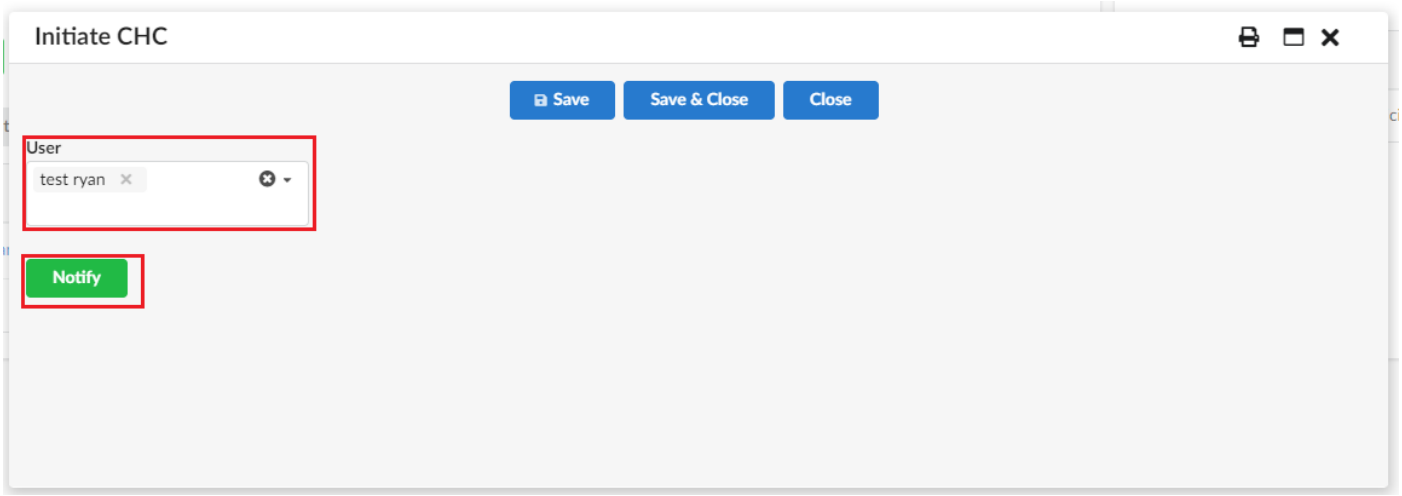
INITIATING A CHC FOR JUDICIAL PROVIDED CRIMINAL HISTORY CHECKS

When a new user is added to Forum the CHC process needs to be initiated. To initiate the CHC process click **Company Profile** under the **General Info**. tab at the top of the screen then navigate to the **Contacts** tab.

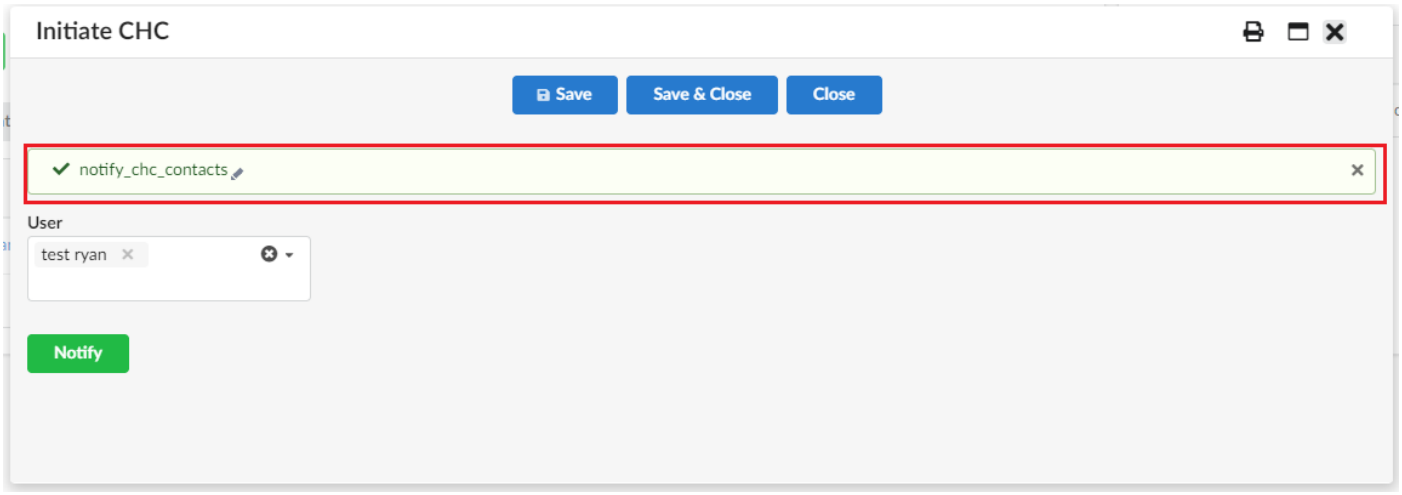
On the Contacts tab click the green **Initiate CHC** button in the Criminal History Check section.



This will bring up a window with a drop down where you can select the user(s) who need to have their CHC initiated. Once you have selected the required user(s) click **Notify**.



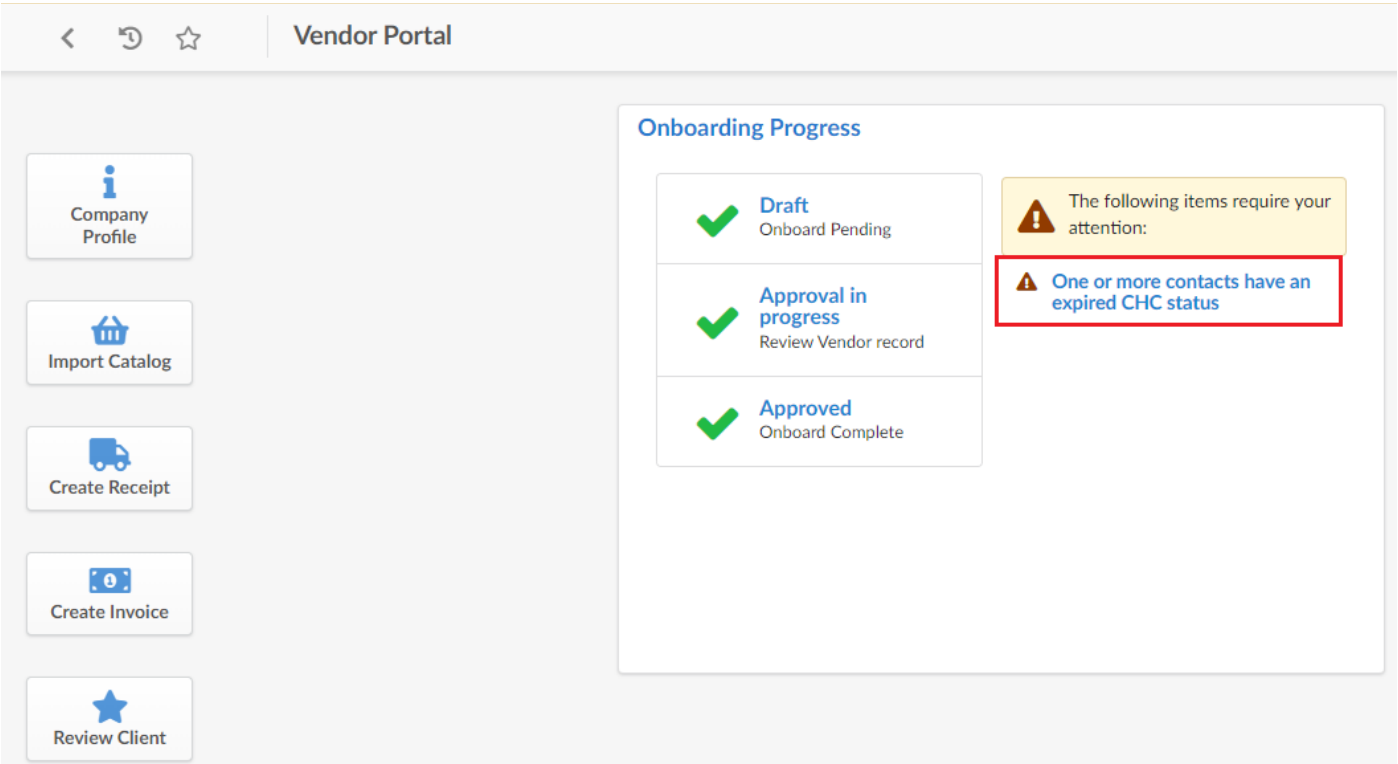
You will know that the notification has been sent if this message appears in the window.



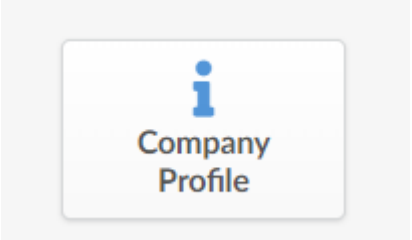
You can now click **Save & Close**, **Close**, or the X in the corner of the screen.

RENEWING AN EXPIRED CHC

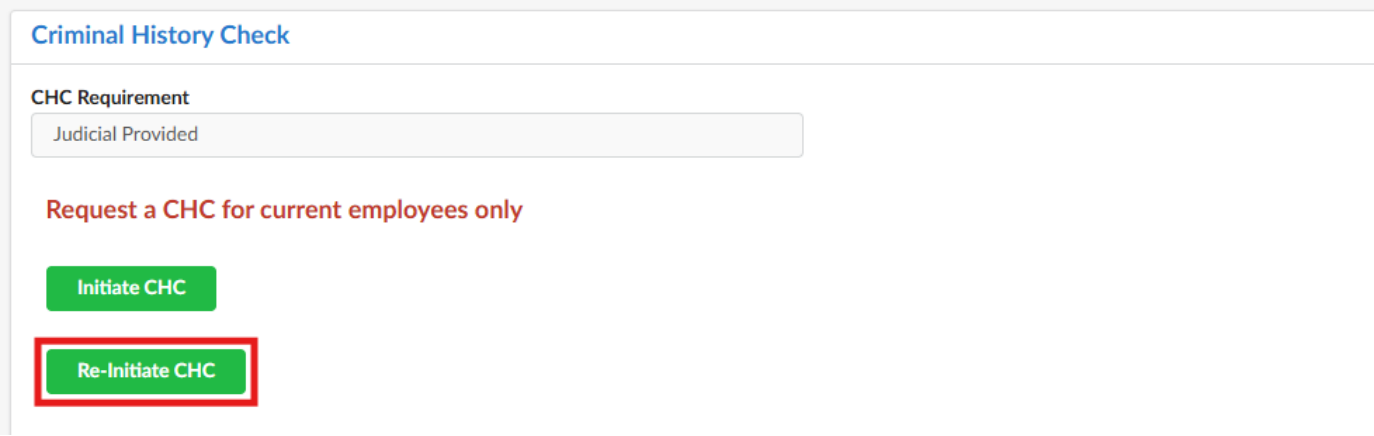
When one of your staff members has a CHC about to expire, or that has expired, you will see a notification on your home page.



For vendors with Judicial Provided CHC, you can re-initiate a CHC by selecting **Company Profile**



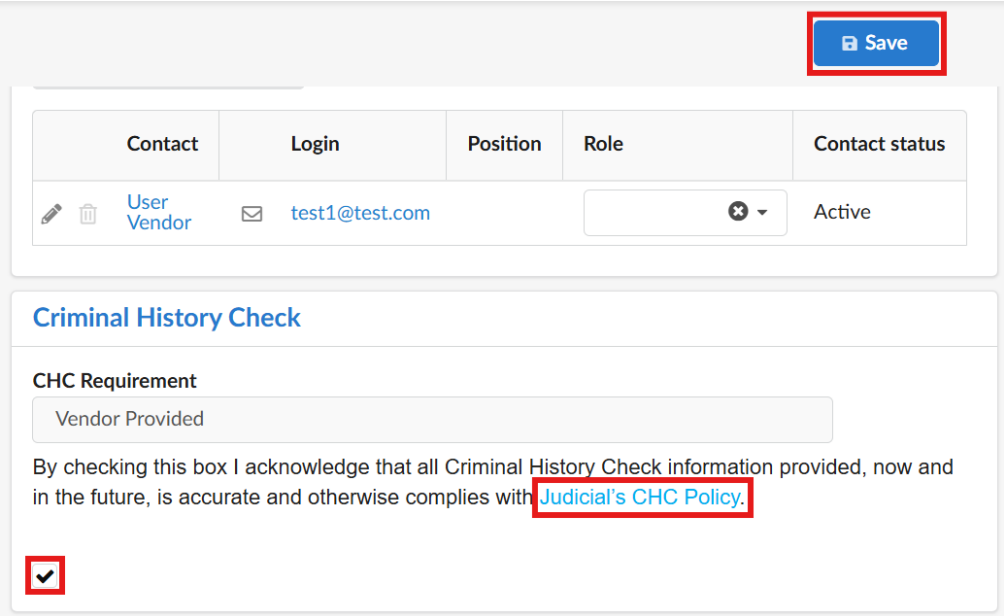
from the left-hand menu, then **Contacts**. From the Contact screen, in the Criminal History Check section, click **Re-Initiate CHC**.



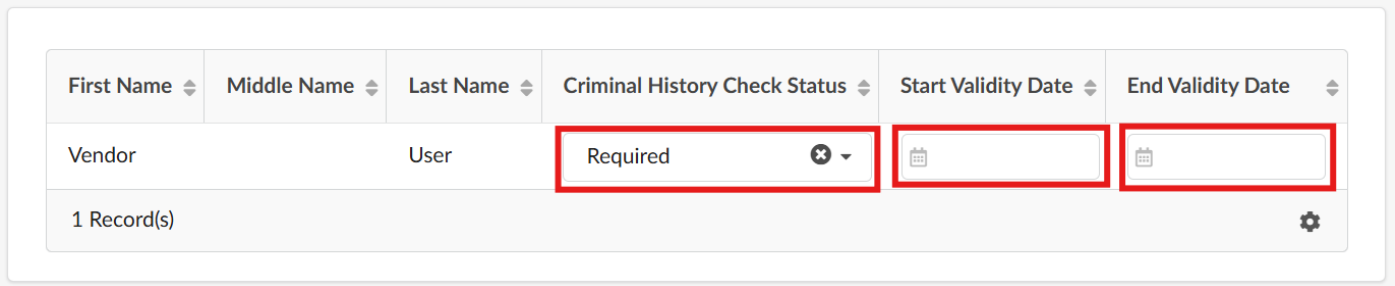
From the next screen, select your contact and click **Notify**.

CHC REQUIREMENT: VENDOR PROVIDED

If your CHC Requirement is set to Vendor Provided you will be responsible for maintaining your CHC records. Before you can edit your CHC records you must first accept Judicial's CHC Policy. This can be done by going to the Contacts page and then clicking the checkbox in the Criminal History Check section. After clicking the checkbox click save. The policy can be viewed by clicking the Judicial's CHC Policy link.

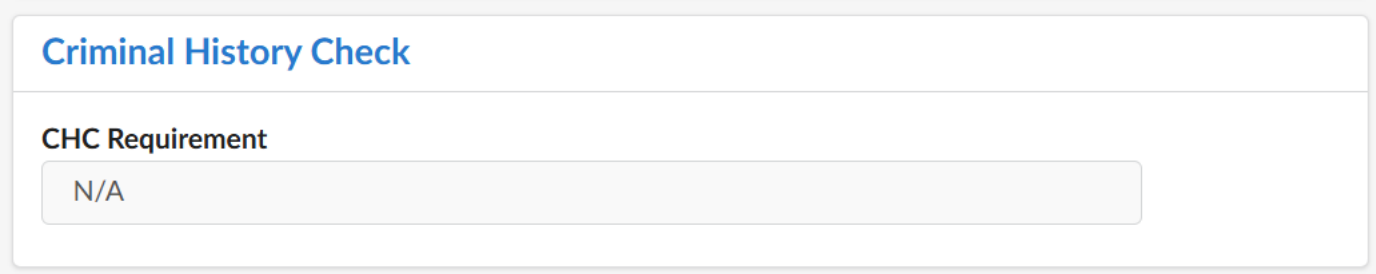


After clicking the box and clicking Save you can go to the Criminal History Check Status page where the Criminal History Check Status, Start Validity Date, and End Validity Date fields can be updated.



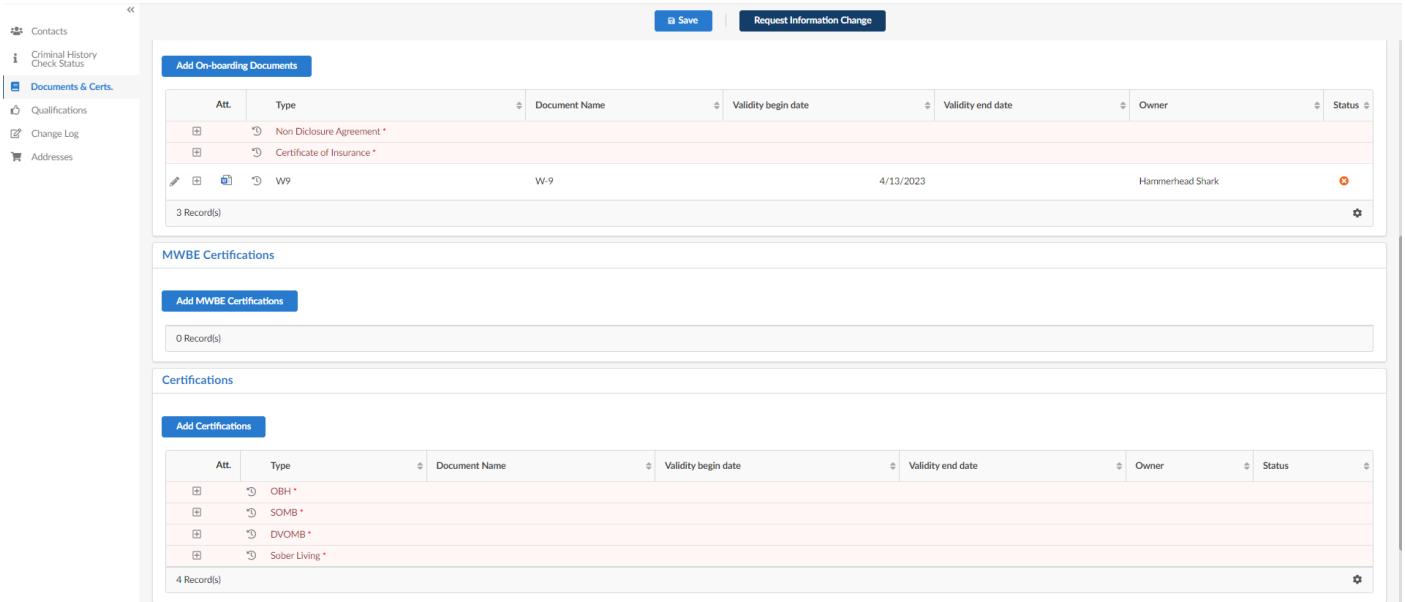
CHC REQUIREMENT: N/A

When the CHC Requirement is set to N/A this means that no Criminal History Check is required.

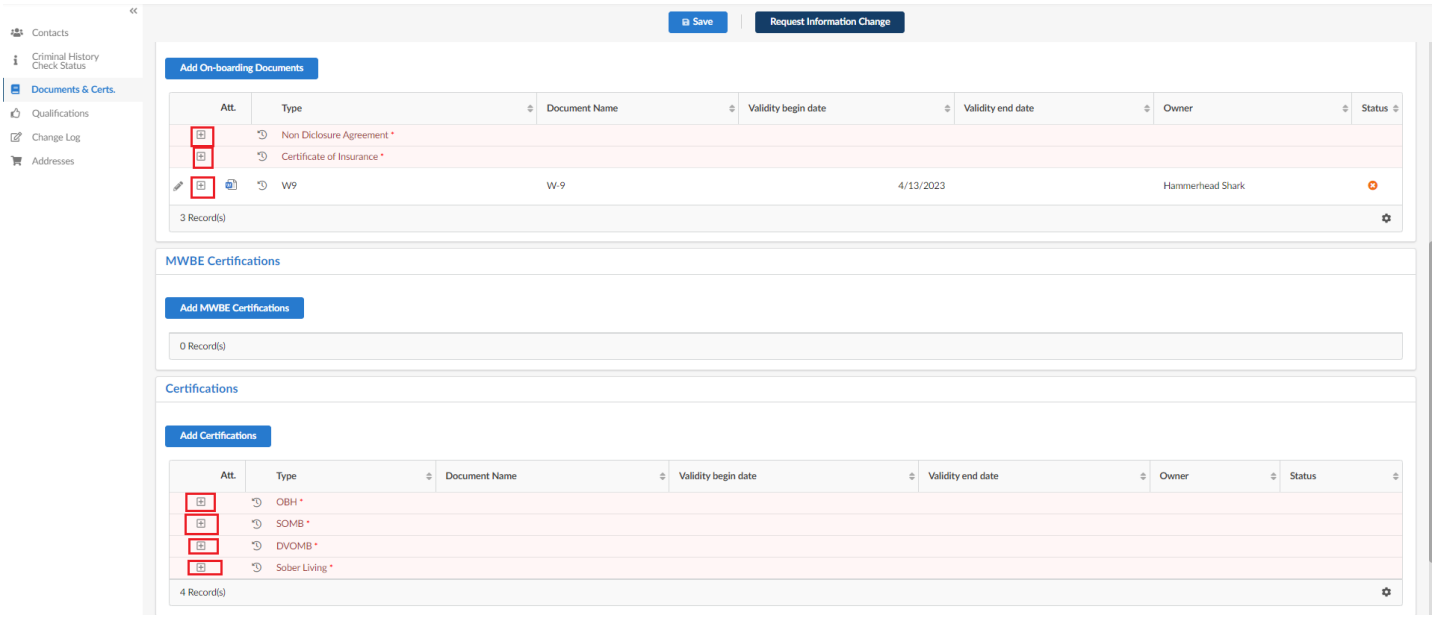


ADDING REQUIRED DOCUMENTS

From the left-side menu, click the **Documents & Certs** link.

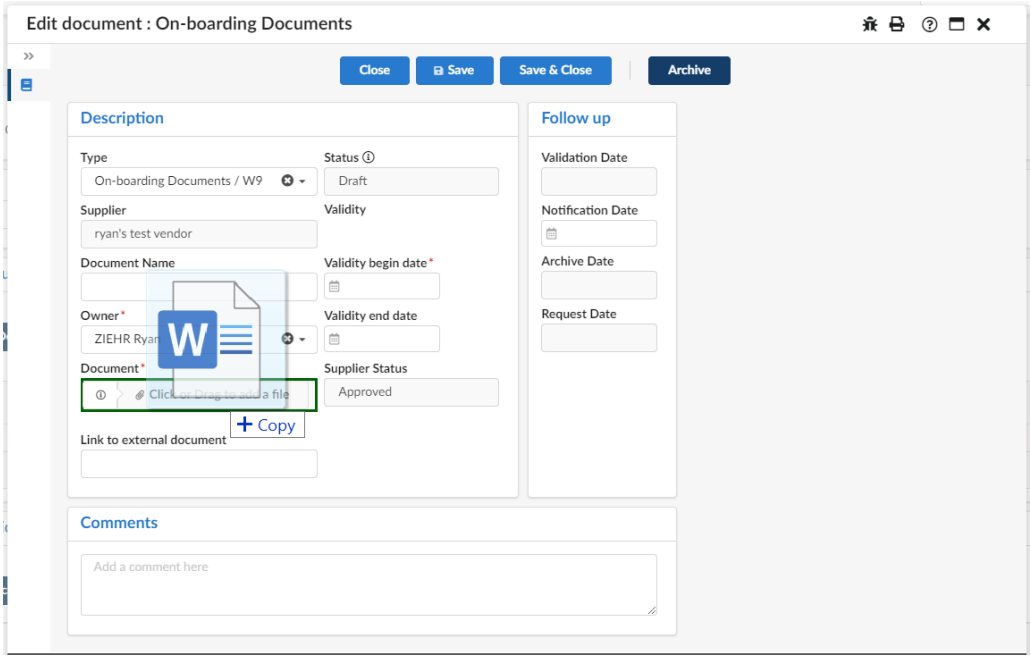


Select the document type you want to upload.

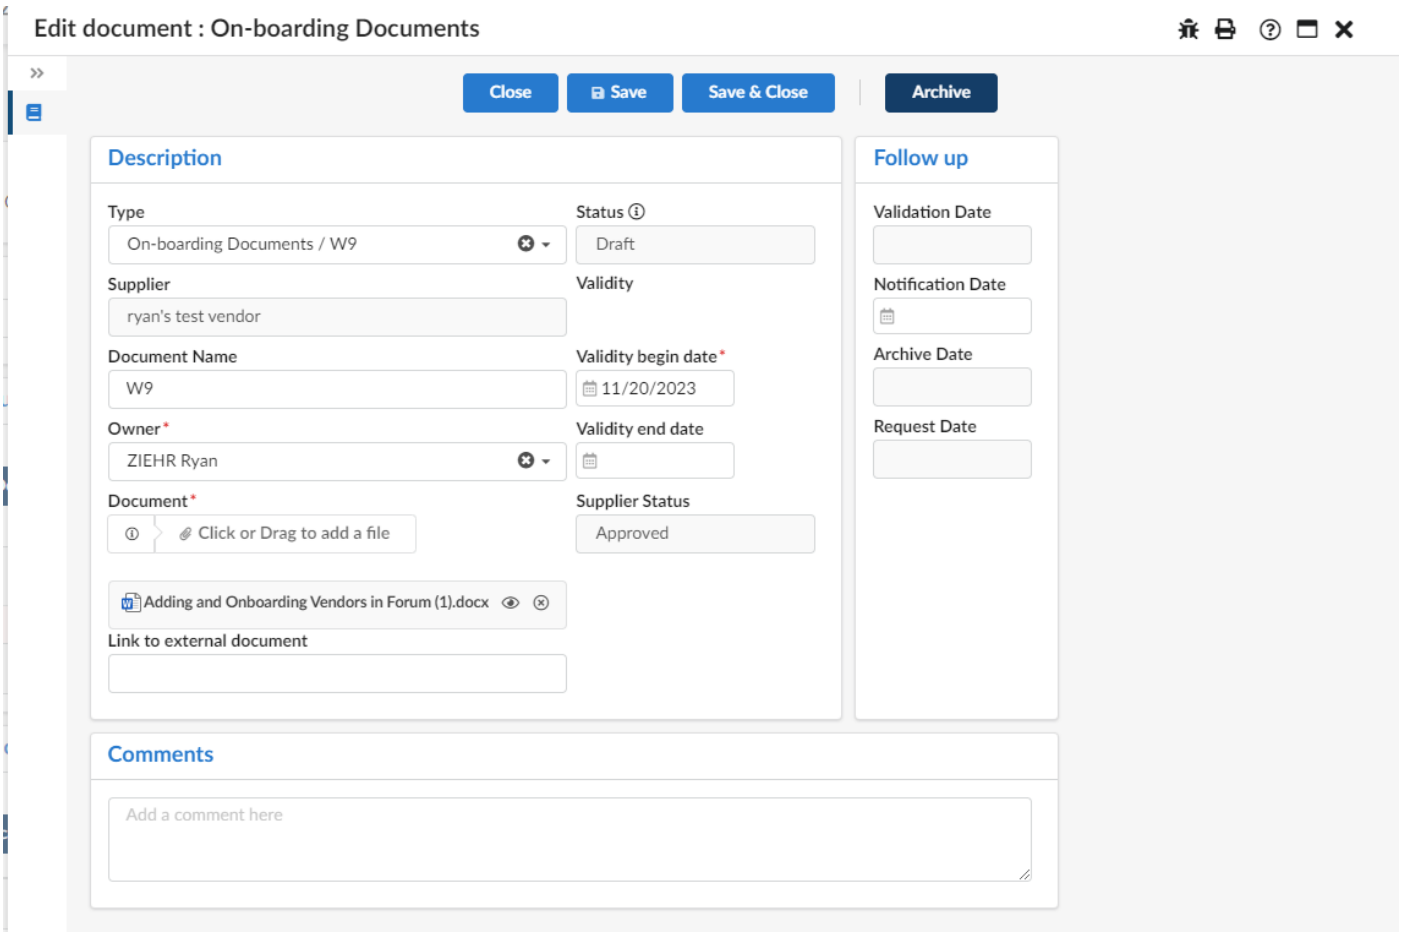


W9 documents are required for all vendors. Other documents may or may not be required based on the terms of your contract. If a Non-Disclosure Agreement or a Certificate of Insurance is required, they will be added in the On-boarding Documents section.

You may click in the *Document* box and browse for a document, or you may drag-and-drop the document from your computer. If you use drag-and-drop, make sure a green frame appears around the *Document* box before you "drop" the document.

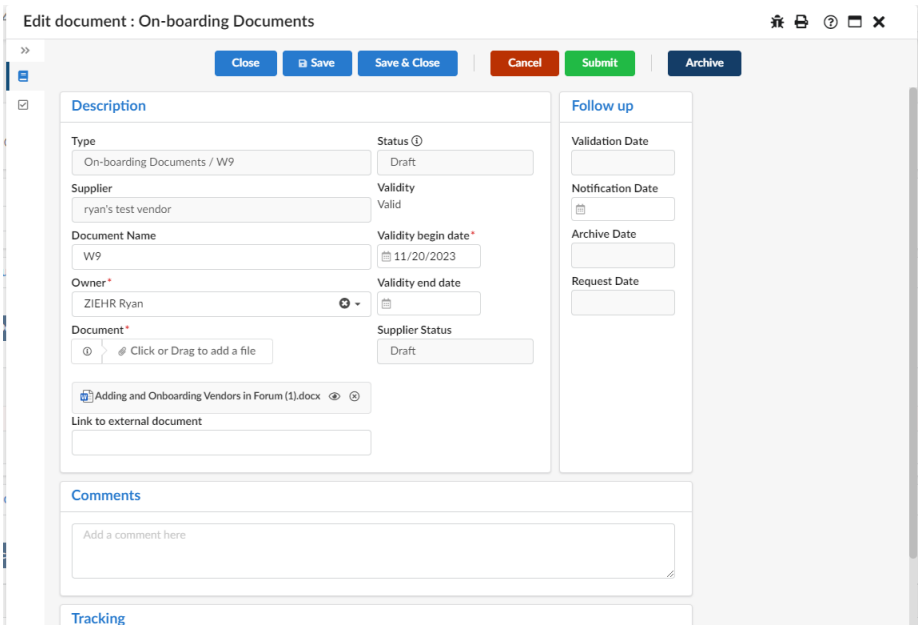


Add the *Document Name* and enter the *Validity begin date*. Enter any additional information or comments.



Click **Save**.

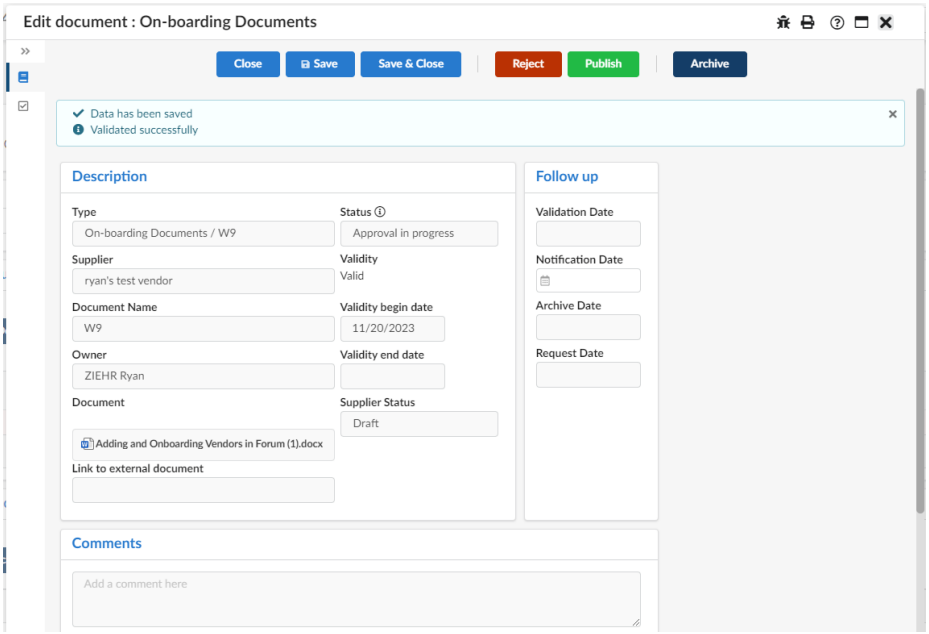
You will now see a screen with **Cancel** and **Submit** buttons.



If you have completed all required information and are ready to submit this document to Judicial, click **Submit**. If you have not completed all required information and would like to come back to complete later, click **Save & Close.**

If there is an issue with the document and you would like to delete it and start again, click **Cancel**.

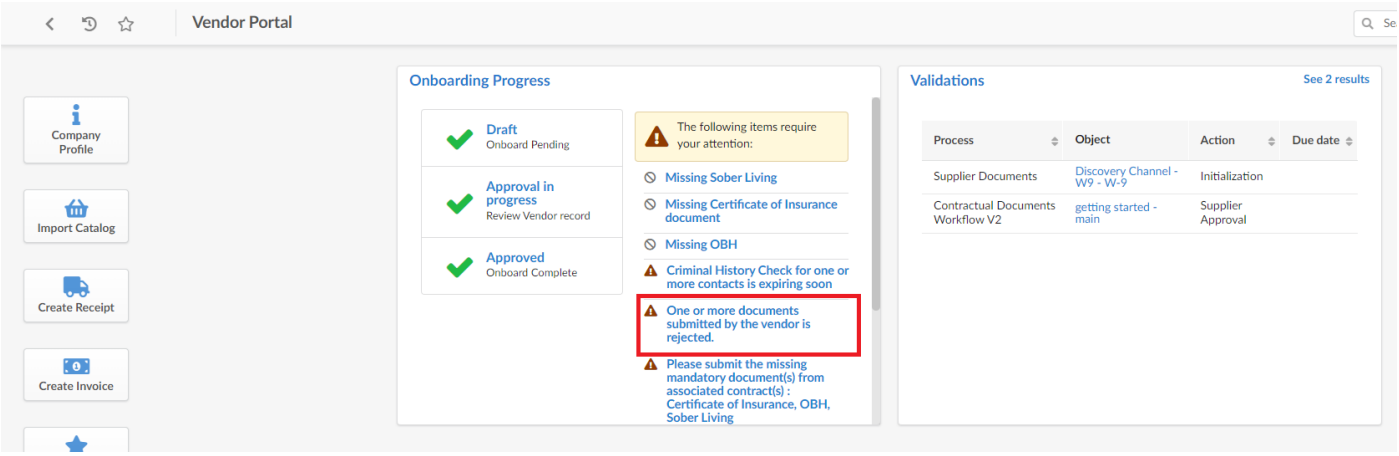
Once you have submitted your document, you will see a confirmation message at the top of the screen. Click **Save & Close** or the **X** in the upper right corner to close the dialog box.



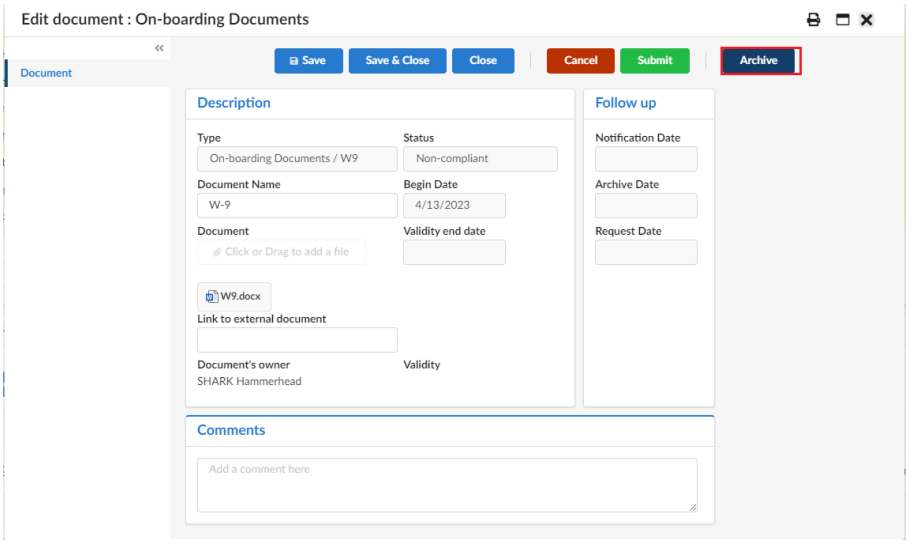
You will note that the document status will show as an orange x.

Once Judicial reviews and approves the document, the status will change to a green checkbox, indicating the document was approved. All required documents must be approved before your services or products can be purchased.

If your document is rejected, the person who added the document will receive an email indicating why the document was rejected. The user will also see a notification in the Onboarding Progress section of the Vendor Portal.

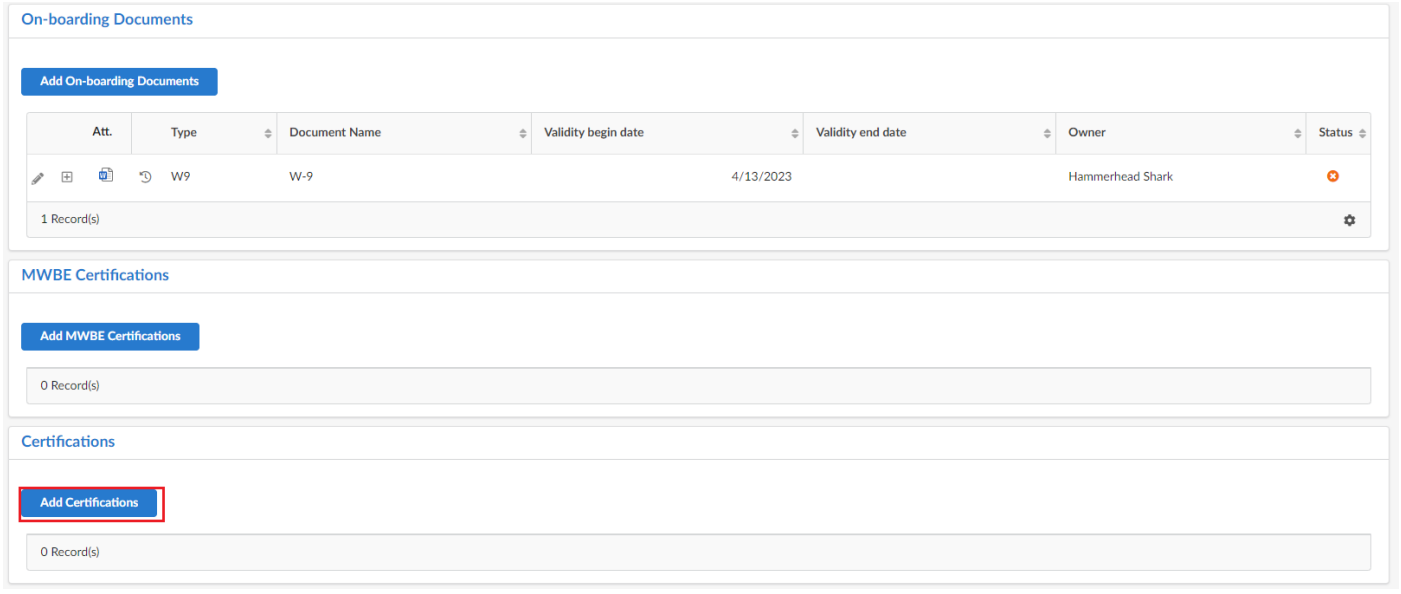


To archive a document, or to review the data entered, click the edit (pencil) icon to the left of the document name. Then click the Archive button.



To download the document for viewing, click the document icon to the left of the document name.

Other certifications such as DVOMB, OBH, Sober Living, and SOMB are uploaded using the same process described above but are added to the Certifications section and not the On-boarding Documents section.



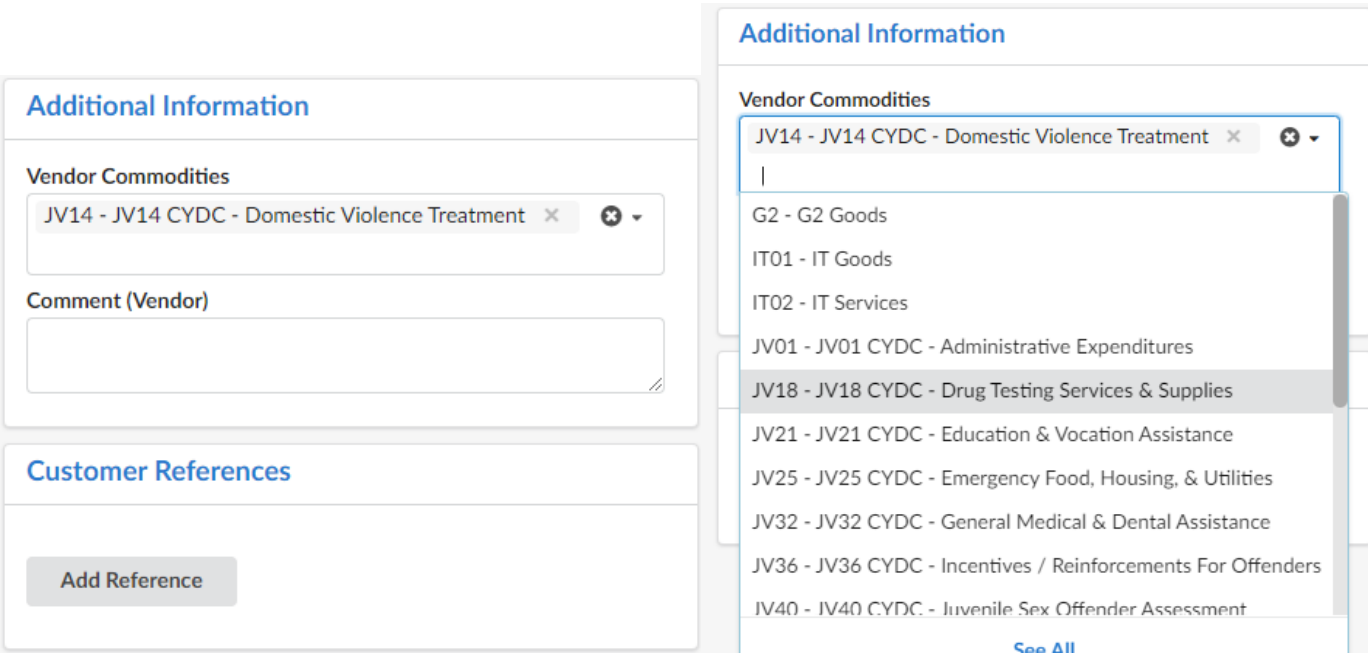
ARCHIVING DOCUMENTS

If you have a document that is no longer valid, you can archive it. When a document is archived, the validity end date is filled in with the current date and the document is removed from the list of available documents. Archiving is done by viewing the document information and clicking the **Archive** button.

OPTIONAL: DECLARING YOUR QUALIFICATIONS

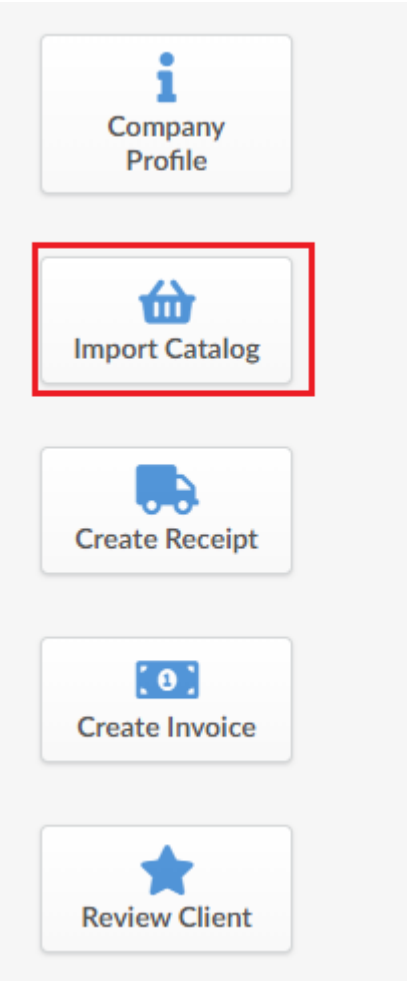
From the left-side menu, click the **Qualifications** link.

Qualifications list the districts and services and/or goods that you are approved to provide for Colorado Judicial. Colorado Judicial will add and update these for you based on your contract. If you wish to declare your suitability to provide additional goods and/or services, you may add them here.



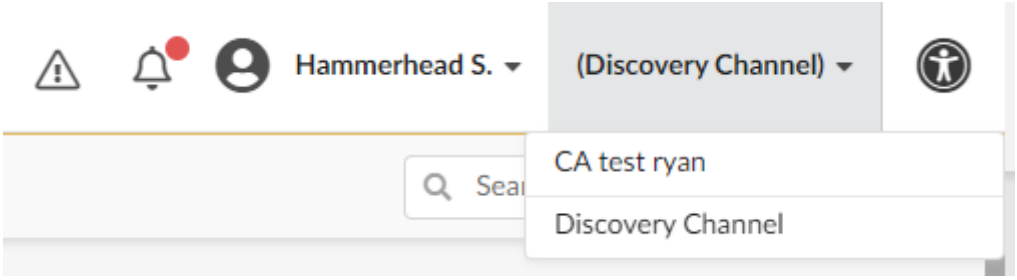
LOADING YOUR CATALOG

From the Home Page, click the **Import Catalog** link.



MANAGING MULTIPLE LOCATIONS

In Forum, vendors are identified by their distinct physical location. Each location will have a distinct Forum Vendor ID. If you are a contact for multiple locations, you will see them in a drop down in the upper right corner of the screen. Select the location you wish to manage from the list.



NOTE: You must be assigned the Vendor Admin role to manage multiple locations.
