# APPLICANT PORTAL USER GUIDE

The AmpliFund Applicant Portal allows organizations to submit applications to a funding opportunity. This guide for applicant users explains how to navigate the Applicant Portal, complete funder application forms, and add budget and performance plans during the application process.

Applicants may have received an opportunity-specific link from the funder, or a link to all of the funder's open opportunities.

3. Click the trash can (Delete icon) next to an application name.

4. In the confirmation pop-up window, click **Delete**.

#### HOW TO START AN APPLICATION

Applications may be started from previously saved opportunities, or may be started directly from the opportunity link after registering.

1. Use the *opportunity link* from the funder.

2. On the opportunity details page, click Apply.

## HOW TO DOWNLOAD AN APPLICATION

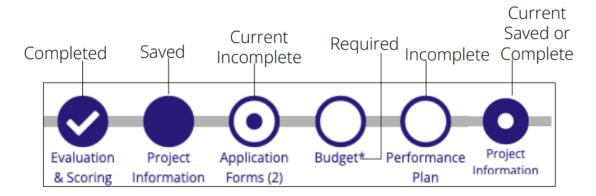

Applications can be downloaded at any time in the application process.

- 1. Use the **opportunity link** from the funder.
- 2. On the opportunity details page, click **Download**.

## **APPLICATION PROGRESS**

In the Applicant Portal, the application progress is displayed at the top of every page. You can also navigate to any page in the application by clicking the icon above the page's name in the progress bar. If a page is required for submission, an asterisk will appear next to the page name in the progress bar.

# PROJECT INFORMATION

You can add your application information and primary contact information on the Project Information page. If the funder requires a Cash Match and/or an In-Kind Match, those amounts can be added in this section.

Icon	Icon meaning
	Completed
	Save
0	Incomplete
•	Current Incomplete
•	Current Saved or Complete
•	Reopened

#### HOW TO COMPLETE PROJECT INFORMATION

- 1. Open the **opportunity**.
- 2. Click Project Information.

## APPLICATION INFORMATION

- 3. Add the **Application Name**. The application name defaults to the opportunity name.
- 4. Add the **Award Requested**. This is the total amount you are requesting from the grant funder.
- 5. Add the **Cash Match Contributions** and **In-Kind Match Contributions**, if applicable. This is the amount you are planning to contribute to the project. It may differ from the funder's calculated required amount.

#### PRIMARY CONTACT INFORMATION

6. Add the application's primary **contact information**. The information in this section defaults to the contact information provided by the user who started the application. This user will receive an email notification if the application is reopened.

## **RECONCILIATION METHODS**

Note: that this section may not be available on all applications.

7. Select from the available Allowable Reconciliation Methods.

- a. Advance Payment: Grant funds are given to recipient in advance as full lump sum.
- b. **Working Capital:** Grant funds are given to recipient in a defined payment schedule which includes an initial advance.
- c. **Reimbursement:** Recipient spends own money and then requests grant funds as reimbursement.
- d. If Working Capital, add Proposed Initial Advance and Proposed Working Capital Rate.
- e. If *Advance Payment* or *Working Capital*, add **Justification for Reconciliation Method** and upload any **Supporting Documentation**.

## PROPOSED PAYMENT SCHEDULE

Note: this section is only available when working capital is selected.

- 8. Add **monthly payment schedule** for the grant. Your ending balance should be \$0.00 at the end of the grant.
- 9. Click Save to save your progress, Mark as Complete to save the page and park as complete, or Save & Continue to save your progress and move to the next page. Your information will not be shared with the funding organization until you click Submit on the Submit page.

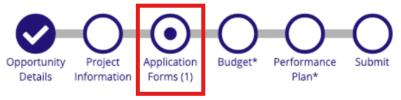

# APPLICATION FORMS

Application forms are funder-created custom forms that capture additional information about applicant organizations, activities, and proposed projects.

## HOW TO COMPLETE APPLICATION FORMS

The forms and fields will vary depending on the opportunity.

- 1. Open the **opportunity**.
- 2. Click Application Forms.

- 3. Click a **form name**.
- 4. Add **responses** to the funder's customized form. The form may contain text, multiple choice, or dropdown list questions, or requests for file upload.
- 5. Click *Save* to save your progress, *Mark as Complete* to save the page and mark as complete, or *Save* & *Continue* to save your progress and move to the next page. Your information will not be shared with the funding organization until you click *Submit* on the Submit page.

## **BUDGET**

Depending on the opportunity settings, the funder may provide a budget for you to complete. The budget includes the Expense Budget and Revenue Budget, as well as options to view line items, initial advance allocation (for opportunities with advance payment reconciliation methods), and NonGrant Funded amounts (for opportunities with match).

#### HOW TO ADD A BUDGET CATEGORY

Funders may provide a list of budget categories to use as you complete the template. Funders may also allow applicants to create their own budget categories. If this is permitted, + **Create New Category** will appear on the budget.

- 1. Open the opportunity.
- 2. Click Budget.

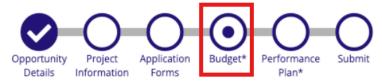

3. Click the + (Add icon) next to Create New Category.

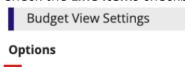

- 4. In the pop-up window, add category Name.
- 5. Add category **Description** (optional)
- 6. Click Save.

## HOW TO ADD A BUDGET LINE ITEM

- 1. Open the **opportunity**.
- 2. Click Budget.

3. Check the **Line Items** checkbox to view line items.

## PROPOSED BUDGET

☑ Line Items

- 4. Click the + (Add icon) next to a budget category name.
- 5. In the pop-up window, update **Category**, if necessary.
- 6. Select the line item Type.
  - a. Personnel Line Item: budgeted staff compensation expenses
  - b. Non-Personnel Line Item: Budgeted expenses that do not fund staff compensation
  - c. Benefit Type Line Item: planned benefit expenses for all grant-funded staff.

- d. **Direct Cost Calculation:** allows users to make direct cost calculations based on the following pre-defined budget categories
  - i. Base x Rate
  - ii. Quantity x Rate
  - iii. Salary x Percentage x Rate
  - iv. Time x Quantity x Rate
  - v. Travel x Quantity x Rate
- 7. Add the line item Name.
- 8. Add the Direct Cost.
- 9. If available, select if the line item is Non-Grant Funded.
  - a. If *Yes,* add the **dollar amount** or **percent (in decimal format)** of the line item that will be funded by Cash Match or In-Kind Match.

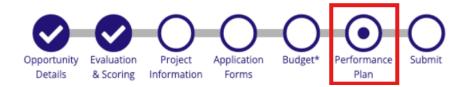

- 10. If available and applicable, add the portion of the line item that should be included as **Initial Advance**.
- 11. Add the line item Narrative (optional).
- 12. Add Attachments (optional)
- 13. Click Save.

## PERFORMANCE PLAN

Depending on the opportunity settings, there may be a Performance Plan page. Funders may also include defined programmatic goals for applicants to meet through grant activities. If goals have been predefined, they will appear in the goal type dropdown.

## HOW TO ADD A PERFORMANCE GOAL

- 1. Open the **opportunity**.
- 2. Click Performance Plan.

3. Click + Add Goal.

- 4. In the pop-up window, select a **Goal Type**. The available goal types may vary depending on the opportunity settings.
  - a. Milestone: track completion of grant milestones(i.e. Will you complete X?)
  - b. Narrative: capture a narrative response (i.e. How will you complete X)
  - c. Numeric: Track discrete numbers to achieve (i.e. Will you achieve X number?)
  - d. Percent Achieved: Track a percent to achieve (i.e. Will you achieve X%)
  - e. **Reimbursement**: Track discrete units to achieve with a dollar rate per unit (i.e. Will you achieve X units with a reimbursement rate \$Y/unit?)
- 5. Add a goal Name.
- 6. Add the goal information. The fields will vary depending on the goal type.
- 7. Click Save.

#### HOW TO ADD A MILESTONE GOAL

Milestone goals are the most basic goal type. They allow for tracking progress on the completion of a "pass or fail" goal. An example of a milestone goal is "Create and send Q1 Staff Survey."

- 1. Click + Add Item.
- 2. In the pop-up window. Select **Milestone** from the *Goal Type* dropdown

- 4. Add a goal Name.
- 5. Add the goal **Description** (optional).
- 6. Click Save.

## HOW TO ADD A NARRATIVE GOAL

Narrative goals are question and answer goals. Responsible staff members may answer the question posed by the goal. An example of a narrative goal is "How successful was the grant-related activity this period?"

- 1. Click + Add Item.
- 2. In the pop-up window, select **Narrative** from the *Goal Type* dropdown.

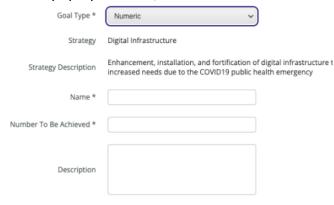

- 3. Add a goal Name.
- 4. Add the goal Narrative.
- 5. Click Save.

#### HOW TO ADD A NUMERIC GOAL

Numeric goals are a discrete number to achieve. As units of the goal are completed, staff may record units completed. An example of a numeric goal is "number of program participants" with a goal target of 50.

- 1. Click + Add Item.
- 2. In the pop-up window, select **Numeric** from the *Goal Type* dropdown.

- 3. Add a goal Name.
- 4. Add the goal Number To Be Achieved (optional).
- 5. Add the goal **Description** (optional)
- 6. Click Save.

## HOW TO ADD A PERCENT ACHIEVED GOAL

Percent achieved goals are goals to reach a desired percent. When tracking progress against a percent achieved goal, staff may capture Total Possible and Total Achieved percentages. An example of a percent achieved goal is "Volunteer Retention Rate" with a goal target of 70%.

- 1. Click + Add Item
- 2. In the pop-up window, select **Percent Achieved** from the *Goal Type* dropdown.

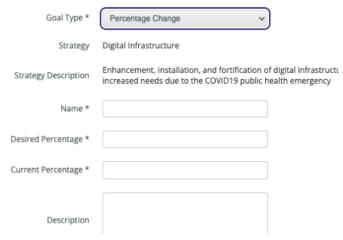

- 3. Add a goal Name.
- 4. Add the **Desired Percentage** in decimal format (optional).
- 5. Add the goal **Description** (optional)
- 6. Click Save.

#### HOW TO ADD A PERCENT CHANGE GOAL

Percent change goals are goals to track a percent increase or decrease. Percent change goals are defined with a starting percent and a desired percent. When tracking progress against a percent change goal, staff may capture Total Possible and Total Achieved percentages. An example of a percent change goal is "Decrease in Student Absences" with a starting absentee rate of 10%, and a goal absentee rate of 3%.

- 1. Click +Add Item.
- 2. In the pop- up window, select **Percent Change** from the *Goal Type* dropdown.

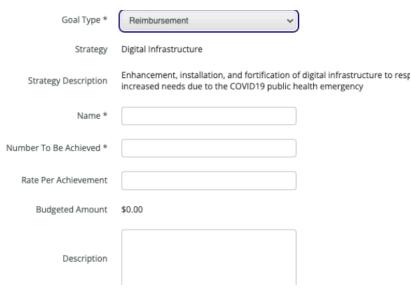

- 3. Add a goal Name.
- 4. Add the **Desired Percentage** in decimal format.
- 5. Add the Current Percentage in decimal format.
- 6. Add the goal **Description** (optional).
- 7. Click Save.

# HOW TO ADD A REIMBURSEMENT GOAL

Reimbursement goals are goals with a discrete unit to achieve, and a dollar rate associated per unit. When tracking progress against a reimbursement goal, staff may enter Units Achieved. An optional checkbox field appears on each reimbursement goal type labeled "Add as budget item." If the goal is added as a budget item, the reimbursement goal will appear as part of the grant's expense budget. If a reimbursement goal is shown on the grant budget, any updates made to the goal through the performance plan will automatically update the budget. An example of a Reimbursement goal is "Number of Patient Screenings" with target/maximum units of 100, and a reimbursement rate per unit of \$22. Reimbursement goals are used to support pay for performance grants.

- 1. Click + Add Item.
- 2. In the pop-up window, select **Reimbursement** from the *Goal Type* dropdown.

- 3. Add a goal Name.
- 4. Add the Number To Be achieved (optional).
- 5. Add the Rate Per Achievement (optional)
- 6. Add the goal **Description** (optional).
- 7. Click Save.

# SUBMITTING YOUR APPLICATION

Once all required fields and sections have been completed, your application can be submitted to the funding organization. The funding organization will be notified that your application is ready for review. In some cases, the funding organization may reopen your application for editing. If this happens, you will receive an email notification from noreply@gotomygrants.com that will include a link to the application and further instructions from the funder.

## HOW TO REVIEW YOUR APPLICATION

You can download your application and its materials for review before submitting.

- 1. Open the opportunity.
- 2. Click Submit.

3. Click Review.

## HOW TO SUBMIT YOUR APPLICATION

2. Click **Applications**.

- 3. Click the submitted application name.
- 4. Click Withdraw.

5. In the confirmation pop-up window, click Withdraw.

Once you withdraw your application, it cannot be resubmitted.

# REOPENED APPLICATIONS

If your application is reopened, the Primary Contact you indicated on Project Information will receive an email from the funder. If the primary contact is not an Administrator user in your account, an Administrator user will be copied on the email notification. The email will contain instructions from the funder, a list of reopened sections, and a copy of your original application.

## HOW TO EDIT YOUR REOPENED APPLICATION

- 1. Open the opportunity.
- 2. Navigate to *reopened section(s)*. Reopened sections are indicated with a gray circle with an exclamation mark. Funder comments are available at the top of each reopened section.

- 3. Update information as necessary.
- 4. Click *Save* to save your progress, *Mark as Complete* to save the page and mark as complete, or *Save* & *Continue* to save your progress and move to the next page.

## HOW TO RESUBMIT YOUR APPLICATION

Prerequisite: must be an Administrator user and all reopened sections must be Marked as Complete.

Reopened applications can be resubmitted after the Submission Close Date has passed.

- 1. Open the **opportunity**
- 2. Ensure all sections are Marked as Complete. If Application Forms have been reopened, all forms must be Marked as Complete
- 3. Click Submit.

4. Click Submit.

Once your application has been submitted, you cannot add, edit, or delete any application information.
