UPDATING YOUR COMPANY INFORMATION

You can change your company information by clicking **Request Information Change** on the top of the *Company Information* page.

Judicial will review the changes and approve, or work with you to ensure the changes are also updated in Colorado’s payment system (CORE) before approving.

This process is used to ensure that payment information is synchronized between systems, so that you do not have any issues or delay in receiving payment.

NOTE: You do not need to use Request Information change to add company contacts, initiate CHC, or add requested documents (i.e. W9, certificate of insurance).

ADDING STAFF AND USERS

From the left-side menu, click the **Contacts** link.

You will see a list of your company contacts. Review this list and assign roles to staff as appropriate. **All of your staff members that require a criminal history check (CHC) must be added in Forum.** Only staff that will need to view contracts, PO, or Invoice need to be given a login.

NOTE: You must be assigned the Vendor Admin role to add staff for system access and criminal history checks

Login Information

Once the user has been added, you can assign them to a role and invite them to login.

ROLES

To assign a user to a role, click the dropdown and select the role. A user may be added to multiple roles.

Vendor admin can view the company's Tax ID number, add staff, and manage Criminal History Checks (CHC) as well as can view, edit, and manage PO and Invoices.

Default Contact has the same abilities as Vendor Admin but will be the person that PO are sent to by default. Forum cannot send PO to multiple users. The Default Contact cannot view the Tax ID number or add staff, but a user can be assigned the Default Contact role and the Vendor Admin role.

If you would like to have PO sent to multiple users, Judicial recommends using your email provider (Outlook, Gmail, etc.) set up an Inbox rule to forward emails from Forum to the appropriate contacts. Search the help section of your email provider for step by step instructions on how to do this.

The remaining roles are informational only, and all have the same general access to view, edit, and manage PO and Invoices as well as view signed contracts.

LOGIN

To invite users to login to Forum, click the envelope to the right of their name. Forum will send an email with a username and a one-time password allowing the user to register.

If you have a staff member who is already present in the system (for example, a staff member that works for your company in a different location), click **Select Existing Contact** and select the user from the list of names provided. Do not add the same user as a single contact to multiple locations, as they will be recorded as distinct users in the system.

CHC (CRIMINAL HISTORY CHECK) REQUIREMENTS

Criminal History Checks (CHC) may be performed and managed by Judicial, by the vendor, or not required at all. How Criminal History Checks are managed and performed is determined by Colorado Judicial.

CHC Requirement	Process
Judicial Provided	Judicial determines how CHC are performed
Vendor Provided	The vendor determines how CHC are performed
N/A	No Criminal History Check is required

To view your CHC requirement click on the Contacts link in the left-side menu and look in the Criminal History Check section.

**Criminal History Check for Vendor

**No Vendor Contact have a Valid
CHC status**

Work may not commence on many Judicial contracts until all required background checks are complete. The status for background checks are shown below:

CHC Status	CHC Status definitions
Required	The default status of CHC for everyone. Link to CHC will be sent via email from no-reply-colorado@ivalua.com.
Pending	The individual's authorization form has been received and the CHC is in progress.
Suitable	The individual may access information and perform services for Colorado Judicial.
Not Suitable	Not suitable finding.
Expired	CHC validity has expired. CHC are generally valid for two years.
N/A	Not Applicable status to be determined by Judicial based on contract terms.

NOTE: You must have at least one eligible staff member with a "Suitable" CHC status before your services or goods can be purchased by Colorado Judicial.

CHC REQUIREMENT: JUDICIAL PROVIDED

When the CHC Requirement is set to Judicial Provided you will be responsible for initiating the CHC process and Colorado Judicial will perform the CHC as the authorization forms are received. You can view the status and validity date of your staff's CHC as they are completed.

Vendors will not receive copies of the background check form from Judicial. Instead, an email will be sent directly to your employee. The employee will follow a link and can submit the information and authorization to perform a criminal history check.

INITIATING A CHC FOR JUDICIAL PROVIDED CRIMINAL HISTORY CHECKS

When a new user is added to Forum the CHC process needs to be initiated. To initiate the CHC process click **Company Profile** under the **General Info.** tab at the top of the screen then navigate to the **Contacts** tab.

On the Contacts tab click the green **Initiate CHC** button in the Criminal History Check section.

You will know that the notification has been sent if this message appears in the window.

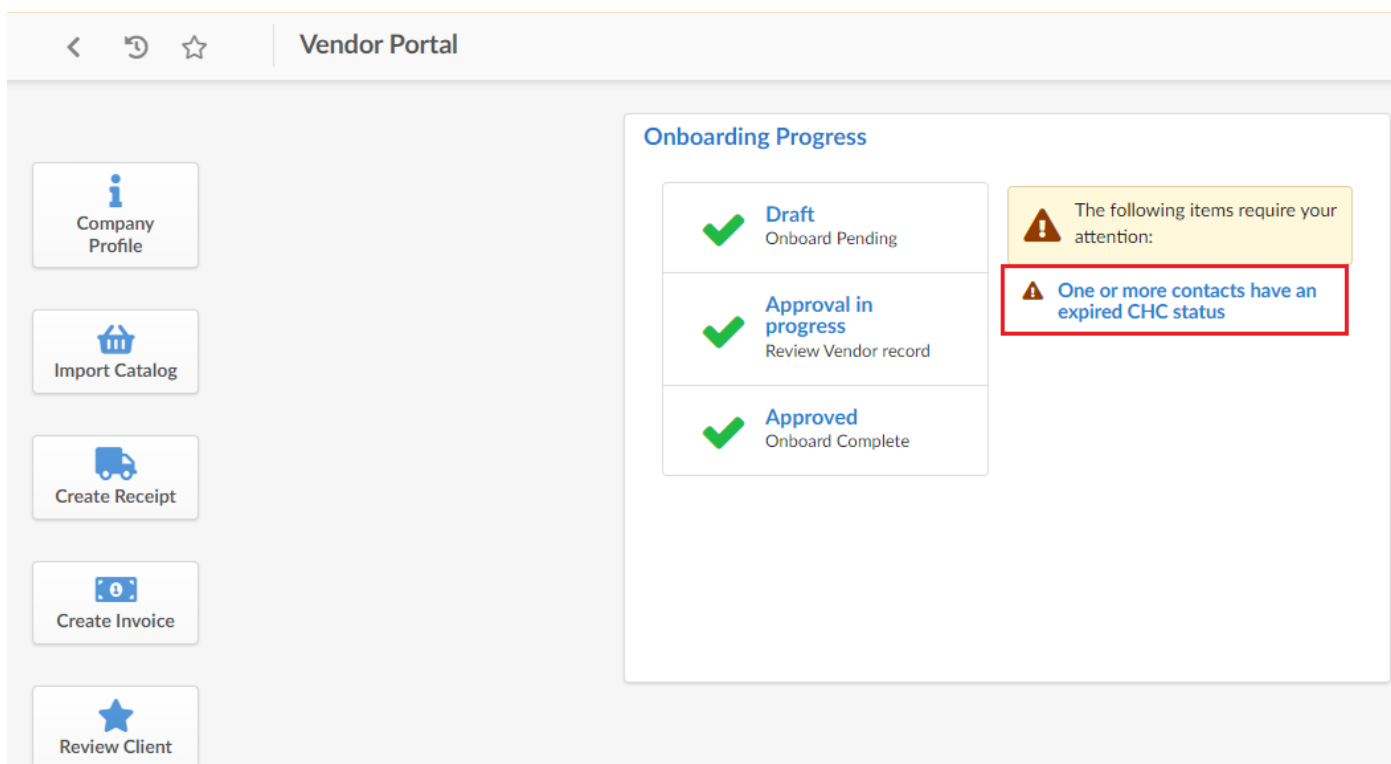

The 'Initiate CHC' dialog box features a title bar with standard window controls. Below the title bar are three buttons: 'Save', 'Save & Close', and 'Close'. A red rectangle highlights a green notification bar at the top of the main content area, which contains a checkmark, the text 'notify_chc_contacts', and a small edit icon. Below this bar is a 'User' section with a text input field containing 'test ryan' and a dropdown arrow. At the bottom left of the dialog is a green 'Notify' button.

You can now click **Save & Close**, **Close**, or the X in the corner of the screen.

RENEWING AN EXPIRED CHC

When one of your staff members has a CHC about to expire, or that has expired, you will see a notification on your home page.

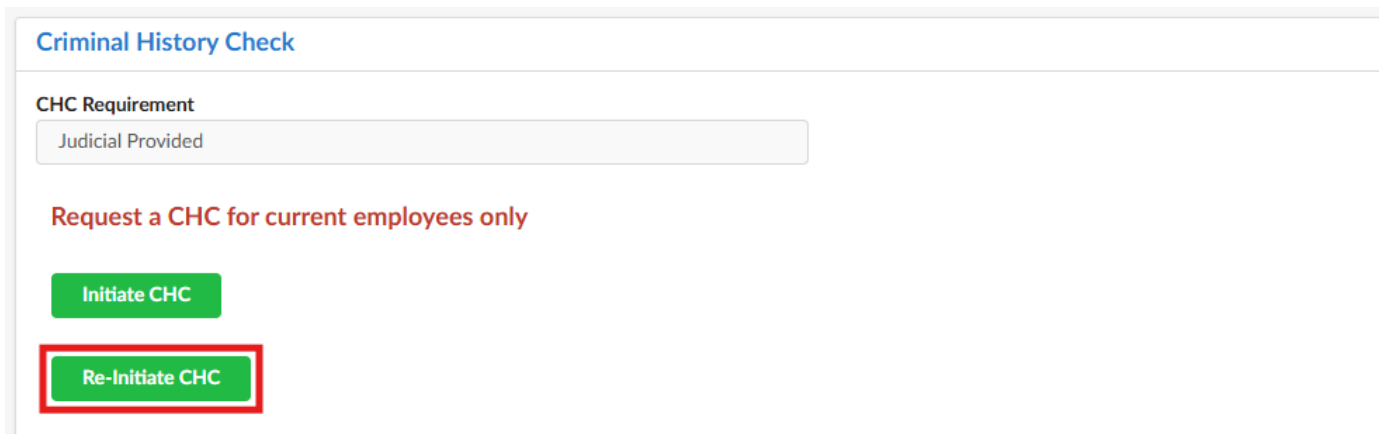

The 'Vendor Portal' interface includes a top navigation bar with back, refresh, and star icons. The main area is divided into two sections. On the left is a sidebar with five buttons: 'Company Profile' (with an 'i' icon), 'Import Catalog' (with a building icon), 'Create Receipt' (with a truck icon), 'Create Invoice' (with a document icon), and 'Review Client' (with a star icon). On the right is the 'Onboarding Progress' section, which contains a list of three items: 'Draft Onboard Pending', 'Approval in progress Review Vendor record', and 'Approved Onboard Complete'. To the right of this list is a yellow warning box with a red border that states: 'The following items require your attention: One or more contacts have an expired CHC status'.

For vendors with Judicial Provided CHC, you can re-initiate a CHC by selecting **Company Profile**

from the left-hand menu, then **Contacts**. From the Contact screen, in the Criminal History Check section, click **Re-Initiate CHC**.
