

DENVER PROBATE COURT

MEET WITH AN ATTORNEY FOR FREE

VIRTUAL VOLUNTEER ATTORNEY CLINIC

GET YOUR LEGAL QUESTIONS ANSWERED

The clinic is intended for those who are not represented by an attorney. Meet by telephone with an attorney to discuss your elder law or probate matter on a first-come, first-served non-confidential basis. Topics may include trusts, estates, wills, guardianships, conservatorships, and powers of attorney. This is intended to be a one-time informational session with an attorney and does not constitute an attorney-client relationship; parties with complex issues may want to engage the long-term services of an attorney.

Because the Volunteer Attorney Clinic is offered by telephone only, document review by the volunteer attorney is not available at this time.
