Certiorari to the Court of Appeals, 2023CA1415  
Docketed: December 02, 2024  
At Issue: December 22, 2025

ISSUE(S):

Whether the court of appeals erred in affirming the trial court's order permitting a defaulting defendant to testify contrary to the facts of his default.

Whether the court of appeals erred in affirming the trial court's order entering judgment, premised on the verdict the jury reached after hearing a defaulting defendant's testimony contrary to his default, in favor of that same defendant.

Whether the court of appeals erred in affirming the trial court's order setting aside the default judgment entered against a defaulting defendant, misapplying the applicable three factor test and its heightened standard of proof.
