In Re: People v. Rodriguez-Estrada, Jose

Order to Show Cause issued on April 1, 2026

DENIED PETITIONS FOR WRIT OF CERTIORARI

No. 25SC455, Court of Appeals Case No. 24CA1094

Petitioners:

Redonna Macomber, Karina Kujawa, and Jana McCullough,

v.

Respondents:

Nations Roof LLC and Laguets Roofing LLC.

Petition for Writ of Certiorari DENIED. EN BANC.

JUSTICE HOOD and JUSTICE SAMOUR would grant as to the following issues:

Whether the Division erred when it held, as a matter of first impression, that contractors who are statutory "landowners" under the Premises Liability Act for the areas where they have contracted to work are also landowners for areas on the same real property where they are not contracted to work and where they would themselves be invitees.

Whether the Division erred in holding that Roofers who were unquestionably landowners where they performed their work atop a Walgreens store were also landowners inside the store where they would have been invitees or licensees.

Whether a contractor who is responsible for conditions on one part of real property can be held to be a landowner for the entirety of the real property, even for injuries in areas of the property where the contractor has no control nor responsibility.

Whether the Division erroneously exceeded the outer limits of the Act's definition of landowner in a way that clashes with this court's prior holdings.
