Case No. 2026SA155

NOTICE BY THE TITLE BOARD

The Title Board hereby provides notice that it rests on its opening brief. The Title Board's opening brief (filed May 8, 2026) argues affirmatively that Initiative #313 is single subject, that the Title Board had jurisdiction to set title, and that the title as set is clear. In addition, the proponents of Initiative #313 are respondents in this action and filed an opening brief which is substantially similar to the Title Board's brief. Judicial efficiency counsels against additional briefing.

The Court should affirm the decision of the Title Board for the reasons stated in the Title Board's opening brief.

Respectfully submitted on this 15th day of May, 2026.
