PEOPLE’S RESPONSE TO DEFENDANT’S MOTION TO REQUIRE THE PROSECUTION TO RESPOND TO DEFENSE MOTIONS IN WRITING [D-022]	

Anne Kelly, District Attorney in and for the Twelfth Judicial District, State of Colorado, respectfully file this response to the Defendant’s Motion to require the prosecution to respond to motions in writing.

The People object to the Defendant’s motion.

The People intend to respond to all motion in writing in this case.

The Defendant has motioned several times to have the Court order the prosecution to do things without citing to rules or statutes requiring it. The People categorically object to this.

The movant in a motion to the Court should be required to cite to specific legal authority for their request, and he has not done so here.

Therefore, the People object.
