Note 1: Judge Makar has been appointed as Water Judge effective November 6, 2024. The Water Judge is appointed by the Chief Justice, and the Water Judge has the authority to make assignments in water cases. Effective November 20, 2025, Judge Ryan has been appointed as an alternate Water Judge for Division 5.

Note 2: Sitting as a magistrate judge, Magistrate McConaughy shall preside over the daily advisement and return filing dockets in Garfield County whenever she is available to do so. If she is not available, the Clerk of the Court shall find a different judge to preside. When her schedule allows, District Judges may refer to Magistrate McConaughy preliminary hearings, *Bergerud* hearings, and other matters which may be heard by a district court magistrate without consent under C.R.M. 6(a).

Note 3: Sitting as a magistrate judge, Magistrate McConaughy will preside over the child support enforcement docket for any 9th Judicial District case when the hearing is scheduled in Garfield County.

Note 4: All Garfield JV docket matters shall be assigned to Magistrate McConaughy as the presiding judge and shall designate a District Judge as the alternate judge. The alternate judge shall be designated on a 1-1-1-1 basis to Judges Norrdin, Haynes, Myer and Ryan. Sitting as a Magistrate Judge, Magistrate McConaughy shall preside over the JV docket for all Garfield County JV docket matters. Magistrate McConaughy shall provide notice and invite consent as required by § 19-1-108, C.R.S., and C.R.M. 6(d). If a necessary consent is not provided, Magistrate McConaughy shall direct a JV case to the assigned alternate judge. If a JV case needs to be set for trial, Magistrate McConaughy shall direct the case to the assigned alternate judge.

Note 5: All Garfield JD matters shall be assigned to Magistrate McConaughy as the presiding judge and shall designate a District Judge as the alternate judge. The alternate judge shall be designated on a 1-1-1-1 basis to Judges Norrdin, Haynes, Myer and Norrdin. Sitting as a Magistrate Judge, Magistrate McConaughy shall preside over the JD docket for all Garfield County JD matters. Magistrate McConaughy shall provide notice and invite consent as required by § 19-1-108, C.R.S., and C.R.M. 6(d). If a necessary consent is not provided, Magistrate McConaughy shall direct a JD case to the assigned alternate judge.

Note 6: For the first year of Judge Makar's appointment, due to Judge Makar's prior representation of Pitkin County and the Pitkin County Department of Human Services, any cases where the Department is a party is to be assigned to Judges Haynes, Ryan, and Myer on a rotating 1-1-1 assignment basis. As of November 5, 2025, the conflict will be deemed to no longer exist. Such cases will be assigned to her unless she believes a conflict still precludes her from presiding. In other cases where Pitkin County entered a nominal appearance only (e.g. disclaimers in foreclosure cases or cases involving real property or construction disputes involving lis pendens, deeds of trust, or other tangential matters where the County was not an active litigant) Judge Makar is not presumptively disqualified if the representation was not substantive; however, she will file a Canon 2.11 disclosure and obtain waivers from all parties prior to presiding over such cases. If the parties do not waive the potential conflict, the case will be reassigned.

Rio Blanco CV and DR Cases: These cases will be assigned as filed on a 1-1-1-6-1 basis for CV cases and a 1-1-1-1 basis for DR cases to the District Judges hearing these cases. The presiding District Court judge assigned predominantly to the Rio Blanco docket (at this time Judge Ryan) receives 60% of the CV cases. Without regard to the Judge of assignment, routine matters or short hearings which may be heard on a regular Meeker docket day shall be set on the docket day as time permits and shall be heard by Judge Ryan.

All DR matters throughout the district shall be directed initially to the family court facilitator. The family court facilitator shall continue to oversee all DR matters to the extent of the facilitator's authority unless otherwise directed in a particular case by the presiding judge.

As Magistrate, Magistrate McConaughy may also hear such other matters as permitted by C.R.M. 6 and statute and as may from time to time be assigned to her by the Chief Judge.
